I (or we) will not use the expense reimbursed through this account as deductions or credits when filing my (our) individual income tax return.

Claim Filing Instructions

1. **Print your name, address and social security number.** Be sure to indicate your Employer’s name. Please indicate if your address has changed.

2. **List expenses by date & arrange the supporting statements in the same order.** If you have several statements from the same provider, you may subtotal them and list them on one line with a range of service dates.

3. **Attach required documentation.** A written receipt and/or statement from the service provider must be attached showing:
   - The name of the medical service provider or child care provider;
   - The date or range of dates of service for the medical care or day care provided. Although this date may be the same as the date paid, it must be clear on what date the service was provided. You can only be reimbursed for expenses occurring during the current plan year;
   - A description of the service provided (for example, doctor’s office visit or day care);
   - The name of the person or persons receiving the medical care or child care; and
   - The cost of the service, not just the amount paid.

3. **Sign** the claim form.

4. **Keep** copies for your tax records.

5. **Fax or mail to:** McGregor & Associates, Inc.

Requests submitted without adequate claims documentation cannot be processed and will be returned. IRS Regulations stipulate that *cancelled checks and charge card receipts are NOT acceptable documentation.*

*Orthodontics:* Requests may be reimbursed for a reasonable monthly payment on or after the payment is due and paid. The payment must be a reasonable approximation of the value of each month’s service. You may only file claims for orthodontic payments while treatment is in process. You must submit a paid receipt from your orthodontist or a photocopy of the monthly payment coupon. Pre-payments are not allowed.

**Additional Account Rules**

1. You can submit a claim at any time during the plan year and for a specified period after the plan year ends, as described in the Summary Plan Description (SPD).

2. If you terminate employment, you can submit a claim for a specified period after the date of termination if so stated in the SPD, as long as the service was incurred prior to your termination date.

3. IRS rules stipulate that any money left in your account(s) at the end of the plan year cannot be carried forward or returned.

4. You cannot submit a claim for a service period that begins in one plan year and ends in the next plan year. File two reimbursement claims, one for each plan year.

5. For dependent care expenses, you cannot claim expenses if the service provider is your child or stepchild and under age 19 or if you claim the service provider as a dependent for Federal income tax purposes.
